

The 2011 Oil & Gas Directory

Forty-First Edition

Regional & Worldwide Exploration, Drilling, and Producing Coverage

Just off the Press

A comprehensive listing of companies and individuals directly connected with oil & gas exploration, well drilling, and oil & gas production. The worldwide coverage includes oil company information, drilling equipment & mud, well completion equipment & services, oil field equipment, workover & well servicing, logging service, corrosion control, secondary recovery systems, environmental control, and health & safety equipment & services. The compact format permits regional and worldwide coverage in a single volume. The Oil & Gas Directory has been providing oil industry information since 1970.

12,904 COMPANIES AND BRANCH OFFICES LISTED

The directory has the names, addresses, phone numbers, Telex numbers, or Fax numbers, for 9,954 US offices, 1,007 Canadian offices, and 1,943 offices outside North America. Each company listed has been contacted to insure accuracy of their listing.

21,998 PERSONNEL LISTED WITH TITLES

The personnel associated with the headquarters and branch offices are listed under their respective locations. Titles with the names indicate their responsibilities. Personnel listed with oil companies total 5,097 and personnel with the service and supply segment total 16,901.

REGIONAL INDEX

A separate index is provided for Drilling Contractors, Service and Supply Companies, and Oil Companies. Each index is subdivided into 5 US geographical regions; Canada, Latin America, Europe, Africa, Middle East, and East Asia-Pacific. This allows quick reference to headquarters and branch offices in a particular geographic area.

COMPANY NAME CROSS REFERENCE

A listing of company name changes occurring the past 41 years, providing traceability through buy outs and mergers. This is a unique feature of the Oil & Gas Directory.

65 YEARS EXPERIENCE

The Oil & Gas Directory is backed by 65 years experience with the Geophysical Directory and 41 years with the Oil & Gas Directory. This experience assures the thorough pursuit and accuracy of the listings.
